Lane reduction on Shediac Road
Between Oulton Street and Hicks Avenue

MONCTON – The City of Moncton wishes to advise the motoring public that **Shediac Road**, between Oulton Street and Hicks Avenue, will see lane reductions (one lane with stop and go) **from 9 a.m. to 7 p.m. on Wednesday, September 5, 2018**, weather permitting.

This reduction is necessary to allow for the installation of a sanitary sewer manhole at the intersection of Shediac Road and MacDonald Lane. Delays are to be expected in the area as traffic will be slowed.

The City apologizes for any inconvenience this may cause and appreciates the patience and cooperation of residents and the motoring public.
